

Privacy policy

Effective from 15 October 2026. Applies to the site iros.intelmet.ru.

1. Data controller

The controller is INTELNET TECHNOLOGIES LLC (Общество с ограниченной ответственностью «ИНТЕЛМЕТ ТЕХНОЛОДЖИС»), INN 7804361803, OGRN 1077847354265, address: 199178, Maly pr. V.O. 57, bldg 4, lit. Zh, prem. 11N, Saint Petersburg, Russia. Contact for data protection matters: info@intelmet.ru.

2. What data we process

- data you provide yourself when contacting us by the e-mail addresses or telephone number published on this site: name, organisation, position, telephone, e-mail address and the content of your message;
- technical data transmitted by your browser: IP address, browser and operating system type, requested page address and request time;
- technical cookies required for the site to work: session identifier and the selected interface language. The site does not use third-party advertising or analytics cookies.

3. Purposes

- replying to your enquiry and arranging a platform demonstration on request;
- preparing and performing contracts, including licence agreements;
- keeping the site operational and secure, preventing misuse.

4. Legal grounds

Processing is based on the consent of the data subject expressed by sending an enquiry, and on performance of a contract to which the data subject is a party (Federal Law No. 152-FZ of 27 July 2006 "On Personal Data").

5. Retention and transfer

Data is processed until the purposes are achieved or consent is withdrawn. Enquiries are stored for no longer than three years from the last interaction. Data is not transferred to third parties except as expressly required by law. Processing is carried out on servers located in the Russian Federation.

6. Your rights

You may request information about the processing of your data, require its correction, blocking or destruction, and withdraw your consent by writing to info@intelmet.ru. A reply is provided within 30 days.

7. Changes

The current version of this policy is always published on this page. When material terms change, the date at the top is updated.
